

Northbrae Jr. Woman's Club To Meet April 19

Young women seeking opportunities for leadership, community service, education and friendship are invited to attend the next meeting of the Northbrae Junior Woman's Club, announced Mrs. Richard Jacobs, the club's president. The group will meet at 8 p.m., Tuesday, April 19, at the home of Mrs. Earl Hazelton, 923 Balra Drive, El Cerrito. Featured at the open house program will be Mrs. Jessie Shepherd, Albany Adult School teacher, who will speak on the subject for which she is well-known, "The Art of Dressing Effectively." Mrs. Shepherd tells how to select the most becoming dress or pattern and the tricks of trimming yesterday's fashion to look the newest in style.

"The purpose of our club," continues Mrs. Jacobs, "is to bring together young women between the ages of 20 and 35 in an organization where they can use their energies and abilities to benefit themselves and their community by promoting its civic, cultural, educational, and social welfare. Our members, now numbering 27, are young women who have in common the desire to learn the responsibilities of civic and social leadership; to take an interest in community affairs; to continue their education in the various phases of the liberal arts."

Members learn to plan and execute such widely-varied projects as organizing city-wide polio clinics, holding fashion shows to benefit philanthropies, and arranging flowers at a local hospital. Friendship and fun are

important also.

"Federation," adds the junior club president, "is another benefit of membership. The world-wide organization of the General Federation of Women's Clubs in 1896 urged its clubs to develop units to interest younger women. Now junior women's clubs are training grounds for community, state, even world service. The junior membership of the California Federation of Women's Clubs, divided into 16 districts, represents nearly 8,000 young women. The local Alameda District includes the 13 clubs of Alameda County."

As proof of the junior clubs' motto, "Strength United is Stronger", projects of great community benefit are carried out at each level. One example is the polio clinic, originated three years ago by a junior club in Southern California, and now a state-wide junior club project responsible for mass immunization at low cost.

The California membership meets yearly at both district and state levels to conduct business, approve projects, report achievements, and compete for awards. The awards, often donations from civic-minded business concerns, are based on need for the project, amount of club and community cooperation, and success of the project. Many members of the Northbrae Junior Woman's Club will attend the district convention's awards banquet, April 22, and the April 23 business session at Castlewood Country Club.

"I hope that young women interested in learning more about our club will call me," adds Mrs. Jacobs, "at LA 6-2770, or the evening's hostess, Mrs. Hazelton at LA 6-3458."

CHRISTIAN SCIENCE
 Christ Jesus' teachings about the indestructible relationship of God and man will be emphasized Sunday at Christian Science services.

Highlighting the Lesson-Sermon on the subject "Doctrine of Atonement" is the Golden Text from I John (2:1): "If any man sin, we have an advocate with the Father, Jesus Christ the righteous."
 Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (4:18-15): "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and Love. Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage."
 The closing Scriptural selection to be read is from John (3:17): "For God sent not his Son into the world to condemn the world; but that the world through him might be saved."

Christian Science Society, Albany, meets at 533 San Pablo Avenue, Sunday morning services are at 11 a.m. and the Wednesday evening meetings are held at 8 p.m. All are cordially invited to attend the Sunday services and Wednesday evening meetings. The Sunday School convenes every Sunday at 9:30 a.m. All children are welcome to attend the Sunday School.
